Draft resolution submitted by the President of the General Assembly

The United Nations Global Counter-Terrorism Strategy

The General Assembly,

Reaffirming the United Nations Global Counter-Terrorism Strategy, contained in General Assembly resolution 60/288 of 8 September 2006, which called for, inter alia, an examination in two years of progress made in the implementation of the Strategy, and for consideration of updating it to respond to changes, as provided for in paragraph 3 (b) of that resolution,

Recalling the pivotal role of the General Assembly in following up the implementation and updating of the Strategy,

Renewing its unwavering commitment to strengthen international cooperation to prevent and combat terrorism, in all its forms and manifestations,

Recognizing that international cooperation and any measures undertaken by Member States to prevent and combat terrorism must fully comply with their obligations under international law, including the Charter of the United Nations and relevant international conventions and protocols, in particular human rights law, refugee law and international humanitarian law,

Convinced that the General Assembly is the competent organ with universal membership to address the issue of international terrorism,

Mindful of the need to enhance the role of the United Nations and the specialized agencies, within their mandates, in the implementation of the Strategy,

Stressing that the Counter-Terrorism Implementation Task Force shall carry out its activities within the framework of its mandate, with policy guidance offered by Member States through interaction with the General Assembly on a regular basis,

Recognizing the importance of institutionalizing the Task Force within the Secretariat,

08-46685 (E) 210808
